

Quota & Usage: Mua gói Log Project

s dng dch v vMonitor Platform Log, bn cn mua gói Log Project, u tiên bn cn truy cp link <https://vmonitor.vngcloud.vn/>, chn tab Quota & Usage và chn Buy a Log Project

The screenshot shows the vMonitor Quota & Usage page. The sidebar on the left has a menu with 'Quota & Usage' highlighted. The main content area is titled 'Quota & Usage' and has sub-tabs for 'Overview', 'Metric usage', 'Log usage', and 'Paid notification usage'. Under 'Current quota', there are three cards: 'METRIC' with 'No Metric quota', 'LOG' with 'No Log quota', and 'PAID NOTIFICATION' with 'No Notification quota'. Each card has a 'Buy' button. The 'Buy a log project' button in the LOG card is highlighted with a red box.

Ti Log project information, bn in các thông tin

- Log Project Information: tên log project
- Description: mô t log project
- Region: mc nh s là LOG, nu bn có nhu cu xây dng 1 LOG dedicated farm riêng thì liên h vi chúng tôi.

The screenshot shows the 'Buy Log quota' page. The page title is 'Buy Log quota'. Below the title, there is a note: 'Log quota is bought for a Log project, which means you will create a new Log project everytime you buy Log quota. If you want more quota for a Log project, upgrade its quota to a new package.' The main content is a form titled 'Log project information' with the following fields: 'Log project name' (input field with 'applog'), 'Description' (input field with 'Log Project for applog'), and 'Region' (dropdown menu with 'LOG'). To the right of the form is a panel titled 'Quota monthly price' which shows 'No package chosen'.
